Nice to know

About age – it's the age at the time of purchase that will determine the price category. Example: if your child turns 7 in January when you are planning to go skiing, the child can still use the 0-6y/o pass if purchased prior to the date of birth

Skipass for multiple days – only consecutive days, not possible to take "a day off".

Prices in this form are subject to errors. Prices in store and online shop is correct.
